MEMORANDUM FOR COLONEL HOPKINS:

SUBJECT: Conference on Target Documents (WDICC)

1. Conference held between Colonel Hopkins, Colonel Gronich, and Major Strenlau at which time it was agreed that:

a. Target Documents which are processed by PACMIRS will retain the Target numbers all through the processing and into the publication.

b. PACMIRS will not give a Target Document any higher priority than documents from other sources.

c. Target Documents which on examination prove to be worthless will be destroyed, just as other documents are, except that a detailed record will be kept of such destruction.

d. Washington Document Center will annotate their routing slips for the documents with the Target number for our convenience.

S. P. GRONICH  
Lt Col, GSC
